

Detectable FingerFix | FFIIX

Detectable FingerFix

The Fingerfix is a great addition to the Stab Protection Glove, it is light weight and extremely durable. It enables the gloves to be worn by almost anybody and ensures the gloves stay in place on the user's hand. While ensuring the glove is firmly in place the Fingerfix also ensures that the users grip is maintained whilst in use.

The Fingerfix is metal detectable and is also coloured blue to aid in visual detection. The Fingerfix is made from a non-sticky TPU film which makes it extremely tear and abrasion proof.

Detectable FingerFix Advantages

- ✓ Ultra-light material
- ✓ Extremely durable
- ✓ Available in detectable blue
- ✓ Extremely tear and abrasion-proof
- ✓ Made from TPU-film (non-sticky)
- ✓ Ensure the gloves stay in place

Product and Packaging Information

Product Code	FFIX	AntiBacterial	No
Pack Weight	0.7kg	Material	TPU
Pack Size	20	Detectability	Metal Detectable
Size	One size fits all	Country Of Origin	Poland
Colour(s)	Blue	Commodity Code	39262000

Safety Certificates / Approvals

BRCGS Compliant ISO 9001:2015

Metal Detectability

The detectability of this product will vary based upon the metal detection systems being used and their calibration. Detectability performance will vary based on, but not limited to the following factors:

- Calibration Levels
- Product Type (E.g. Wet, Dry, Frozen, Liquid)
- Aperture Dimensions
- Orientation

For this reason BST recommend that all our products be thoroughly tested on your metal detection systems by a trained and certified professional. It may be the case that your equipment needs to be re-calibrated in order to reliably detect this product. Such a professional should be available by contacting the manufacturer of your metal detection system.

The information provided in this product specification sheet is based on our experience and knowledge to date and we believe it to be true and reliable. This information is intended as a guide for your use of our products, the use of which is entirely at your own discretion and risk. We, BS Teasdale & Son Ltd, cannot guarantee favourable results and assume no liability in connection with the use of our products. © 2023 BS Teasdale & Son Ltd.
