# Product Specification Sheet

# **Detectable Glove Guard | GGDB**

### **Product Description**

The Glove Guard features a patented safety breakaway that prevents the user from being pulled off balance if their gloves snag in a piece of equipment.

This handy clip uses a ball and socket device that is designed to break away at a higher point. Use of the Glove Guard has proven to drastically reduce hand injuries and glove replacement costs.

# **Detectable Glove Guard® Advantages**

- ✓ Detectable by in-line metal detection systems
- ✓ Highly visible colour for easy visual identifications
- ✓ Can be used as part of HACCP and BRC procedures
- √ FDA food grade material suitable for food contact applications
- ✓ Displays due diligence in the prevention of foreign body contamination

#### **Product and Packaging Information**

Product Code	GGDB	AntiBacterial	No
Pack Size	1	Material	Detectable POM
Pack Weight	0.02kg	Detectability	Metal Detectable
Colour	Blue	Country Of Origin	USA
Dimensions	133 x 32 x 18	Commodity Code	39269097
-		-	-

## Safety Certificates / Approvals

FDA Approved

**BRCGS Compliant** 

ISO 9001:2015

In Partnership with

### **Metal Detectability**

The POM material of these glove guards are intended to be detected by metal detection systems. The detectability of this product will vary based upon the metal detection systems being used and their calibration. Detectability performance will vary based on, but not limited to the following factors:

- Calibration Levels
- Product Type (E.g. Wet, Dry, Frozen, Liquid)
- Aperture Dimensions
- Orientation

For this reason BST recommend that all our products be thoroughly tested on your metal detection systems by a trained and certified professional. It July be the case that your equipment needs to be re-calibrated in order to reliably detect this product. Such a professional should be available by contacting the manufacturer of your metal detection system.

The information provided in this product specification sheet is based on our experience and knowledge to date and we believe it to be true and reliable.
