

BST Detectable Hairnets | 938* / 843* / 6471*

10mm Coarse Mesh Hairnet

5mm Close Mesh Hairnet

3mm Extra Close Mesh Hairnet

Product Description

BST hairnets feature a metal detectable fastening clip which is certified to give a metal detectable reading of at least 4mm ferrous. The hairnet is made from a warp knitted polypropylene material for excellent moisture transportation and wicking properties, ultimately keeping operatives cooler and more comfortable and less prone to touching and adjusting the headwear. The 3mm hairnets feature an excellent quality, single

elastic headband, for those who experience pressure sensitivity, or, wear trilby hats or other chefswear without further affect on natural temperature control. The 5mm features a lay flat double elastic to distribute pressure evenly to avoid skin indentation and discomfort. Available in a wide range of colours to suit factory colour coordination schemes. Available in loose packs or on a card.

Detectable Hairnet Advantages

- ✓ Detectable by in-line metal detection systems
- ✓ Highly visible blue colour for easy visual identification
- ✓ Significantly reduces foreign body facial hair contamination
- ✓ Two integral metal detectable closures reduces the risk of the product becoming a foreign body contaminant
- ✓ Manufactured from polypropylene Oeko-Tex, class 1 yarn
- ✓ Conforms to REACH Standards
- ✓ Available balled and in loose packs or on a card
- ✓ Displays due diligence in the prevention of foreign body contamination

Product and Packaging Information

Product Code	938*	Pack Size	100 On A Card
Mesh Size	3mm Extra Close Mesh	Colour(s)	B,R,W,K
Product Code	938B-L	Pack Size	100 Loose
Mesh Size	3mm Extra Close Mesh	Colour(s)	Blue
Product Code	843*	Pack Size	100 On A Card
Mesh Size	5mm Close Mesh	Colour(s)	B,R,G,Y,W,K,PN,BN
Product Code	843B-L	Pack Size	100 Loose
Mesh Size	5mm Close Mesh	Colour(s)	Blue
Product Code	6471*	Pack Size	100 On A Card
Mesh Size	10mm Coarse Mesh	Colour(s)	B,R,W,K,PN,BN
Pack Weight	0.30kg	Detectability	Part Metal Detectable
Pack Size	100	Country Of Origin	Britain
Dimensions	Adjustable tp 53cm	Commodity Code	65050090

Materials

Manufactured from 94.8% polypropylene Oeko-Tex, class 1 yarn which is ecologically harmless and friendly to skin, it also conforms to REACH standards. 2.5% latex (covered with polypropylene to avoid skin allergy and discomfort).

These products are not designed to come in to direct contact with food and therefore do not come with any food contact approvals or certifications. They are to be used as personal protection to reduce the risk of hair contamination.

Metal Detectability

These hairnets contain two 5mm metal closures which can be detected by correctly calibrated metal detection systems. The detectability of this product will vary based upon the metal detection systems being used and their calibration. Detectability performance will vary based on, but not limited to the following factors:

- Calibration Levels
- Product Type (E.g. Wet, Dry, Frozen, Liquid)
- Aperture Dimensions
- Orientation

For this reason BST recommend that all our products be thoroughly tested on your metal detection systems by a trained and certified professional. It may be the case that your equipment needs to be re-calibrated in order to reliably detect this product. Such a professional should be available by contacting the manufacturer of your metal detection system.

The information provided in this product specification sheet is based on our experience and knowledge to date and we believe it to be true and reliable. This information is intended as a guide for your use of our products, the use of which is entirely at your own discretion and risk.
