

# PENGUIN 900M

## INSTRUCTION GUIDELINES

COLOURS AVAILABLE

Twin blade entry provides a larger target area and extended blade life. Knife head 'prongs' can be used to puncture into plastics, stretch/shrink wrap.

The disposable Penguin 900 is a heavy duty version of the Penguin 400 design. With the addition of the 'opposing slopes' on the knife head for a more efficient cut and the blunt tape cutter at the handle base, the 900 series is an effective, versatile cutter. Moulded in a Metal Detectable plastic with Stainless Steel blade and tape cutter.

Strapping/Banding

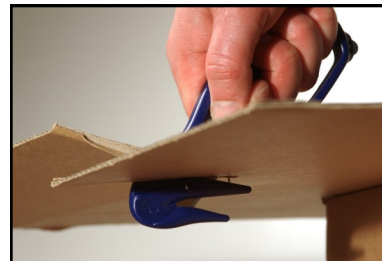

Shrink/Stretch/Bubble Wrap

Tape

Bags/Sacks

Card

**Please test all detectable products with YOUR detection equipment prior to use**

Opposing slopes on the knife head create a plough effect and minimize friction resistance

The blunt tape cutter is situated at the base of the handle allowing it to be used without changing your grip
